

## ONE LOFT RACE – FEC CENTRAL EUROPE 2020 – 2023

Federation of long distance clubs In 2020; bring into being pigeon-houses testing pigeons in category M>1000 miles

This project will be done in some countries; at chosen pigeon-houses (according to Federation instructions). Main pigeon fanciers KLD will send max five young pigeons to chosen pigeon-houses. In one pigeon-house can be only fifty pigeons.

The pigeon fancier looping after this pigeon-houses will give also food for pigeons. Training is done according to fix flying plan.

Competition flies the pigeons will do in their own places or club. The results will publish; from 3 files = three pigeons team.

One year old pigeons will test in category B = 3 flies.

Two years old pigeons will test in category M>700km = 2 flies.

Three years old pigeons 1 fly>1000miles.

The management will give Super Cup FEC to the master and two vice – masters (the others 4:10 will take medal and diploma). The fancier whose team in three flies will take max competitions (base 3:1) and points will take Cup Open – general intermaster FEC.

If management and fancier of pigeons-house will decide to sell pigeons this fancier can buy the pigeons by occasion price 50% of this sun will give to fanciers children for medical care and rehabilitation.

Another 50% will give to the fancier who looked after the pigeons-houses (care and prime cost).

The persons who what to take part in this intention please send the e-mail ([w.kuczyk@o2.pl](mailto:w.kuczyk@o2.pl)).

We invite you to sport competitions of Long-Distance Clubs Fanciers.
